## UP TO \$100,000 REWARD

Up to \$100,000 is being offered for information leading to the arrest and conviction of the person(s) responsible for the murder of Julie Ann Holmquist.

**Julie Holmquist**

Julie Ann Holmquist, 16, was reported missing by her parents on July 29, 1998 when she didn't return from rollerblading on a local rural road near her Kittson County (NW Minn.) home. Her body was discovered three weeks later in a gravel pit north of Lancaster, Minn., about 15 miles from where she is believed to have been abducted. Because the gravel pit was historically a popular local party spot, authorities believe that the perpetrator is a local person or someone with local knowledge.

**Please help bring closure to the family and friends of Julie Holmquist, and bring her killer(s) to justice.**
